ANNEX A - OPERATION PACIFIC SHIELD SET-UP

1. (U) MISSION. In order for the OTW to prepare for their upcoming deployment to the USINDOPACOM AOR due to heightened tensions, members will participate in OPS to better understand the concepts of agile combat employment and joint operations.

2. (U) EXECUTION. OTW A2/3 will ensure proper wargame set-up IAW OPS User Guide.

2.1. (U) Ensure set-up for the Combined Air Operations Center (CAOC), Combined Space Operations Center (CSPOC), Main Operating Bases (MOB), and Medical Command (MEDCOM) if applicable are set up in accordance with the OPS User Guide, Chapter 6 and OPS Gameplay Video. Coordinate with OTW A6 to determine the number of and locations of CAOC, CSPOC, and MOBs. The MOB board may be cut into four squares, with each square representing one Forward Operating Site (FOS). If this is the case, ensure each MOB flight room has four FOS cut-outs.

2.2. (U) Each room should be labeled accordingly with a sign placed on the exterior of the flight room's door frame. Use OPS GAME KIT #1 to set up the left side hallway game (OPS Game 1) and use OPS GAME KIT #2 to set up the right-side hallway game (OPS Game 2). Follow the instructions found in the OPS User Guide for game play setup instructions, as well as adhere to the instructions found in the GAME KIT boxes themselves.

2.3. (U) In the CSPOC flight room(s), ensure like satellites are grouped and stacked together by their capability/type. The CSPOC room(s) will each need a CSPOC board, OPS board with taped orbit lines on it, and one CSPOC game piece kit for each room.

2.4. (U) OTW A2/3 will ensure all OTs in the CSPOC and MEDCOM assign OTs to the required positions outlined in the OPS User Guide.

2.5. (U) After the last block of OPS, OTW A2/3 will ensure all OPS materials are returned to their appropriate kit/box and match the starting inventory list. At no time should materials be exchanged/mixed between OPS GAME KIT #1 and OPS GAME KIT #2. **OTW A2/3 will also ensure all boards are wiped clean of any dry erase markings.**

2.6. (U) OPS materials are in the instructor area on the second floor, in room D206. OTW A2/3 is responsible to maintain full accountability of all game components, equipment, and pieces. A full inventory should be conducted prior to returning the items to room D206. **OTW A2/3 will also ensure all boards are wiped clean of any dry erase markings.**

2.7. (U) Use the photographs below to replicate for OPS set up:
